

Positioned to Continue Growth in Reach & Impact

Learning Ally is a leading non-profit ed-tech organization whose vision is for all people to have equal opportunities to learn. We have a long legacy of serving students who learn differently – in particular those who are learning or visually impaired.

Over the past several years Learning Ally significantly invested in the expansion of our programs, services and technology to better empower schools and families to build confident learners who can unleash their true academic potential.

Expenses for each program area consistent with organization's audited financial statements.
